

Barguse July Newsletter

Competitions

The first jumping competition of the summer proved extremely popular with large entries for all the classes. The next one will run on Fri 23rd July. The dressage competition saw the prelim and novice classes well attended with a smaller number in the Intro class. Despite riders' concerns about their horses and the new mirrors, the new format of running the prelim and novice classes in the indoor arena seemed to be popular and the horses seemed more interested in the spectators than the mirrors! Our next dressage runs on the 30th July. Though could competitors please not leave getting their entries in till the day before or even on the day of the competition! If we do not have enough entries before the closing date then we may decide not to run the competition!

Michael Beining

We have just finished another successful clinic with Michael and it was great to see the regular riders making real improvements and head way. We were also pleased to welcome more new riders to the clinic and hope they gained some valuable advice! Unfortunately, some people missed out on the clinic or were too late booking. We do try to post the clinic dates on the diary page in plenty of time but if you wish to be kept abreast of all the latest events/clinics, please click on the link on the homepage of the website.

Richard Waygood

We have had numerous calls about Richard's clinic and it is virtually full. We are hoping that we may be able to run over on to the Monday. If you wish to have a lesson, please do contact us as we have one slot as a semi-private left (subject to level of ability) and we may be able to fit in other riders subject to receiving payment from riders provisionally booked on the clinic. Please note your place will NOT be confirmed until FULL PAYMENT is received. Thus, any riders on the waiting list will be offered a place if we do not receive payment within a week of a provisional booking. Please do ring to check on availability.

Lesson Slots

As the holiday period begins lesson slots are booking up fast. If you require a particular date and time, please book up well in advance so as not to be disappointed!

Hacking

At this time of the year we get many phone calls asking about trekking. Due to the high demand for riding lessons we tend to direct holiday makers to the numerous establishments that specialise in trekking and beach rides.
